

## **Copyright and Digital Millennium Copyright Act Enforcement Policy**

**Trenton Telephone Company dba TVN.net** is committed to complying with U.S. copyright and related laws, and requires all customers and users of the Service to comply with these laws. Accordingly, you may not store any material or content on, or disseminate any material or content over, the Service (or any part of the Service) in any manner that constitutes an infringement of third party intellectual property rights, including rights granted by U.S. copyright law. Owners of copyrighted works who believe that their rights under U.S. copyright law have been infringed may take advantage of certain provisions of the Digital Millennium Copyright Act of 1998 (the "DMCA") to report alleged infringements. It is TVN.net's policy in accordance with the DMCA and other applicable laws to reserve the right to terminate the Service provided to any customer or user who is either found to infringe third party copyright or other intellectual property rights, including repeat infringers, or who TVN.net believes in its sole discretion is infringing these rights. TVN.net may terminate the Service at any time with or without notice for any affected customer or user.

Copyright owners may report alleged infringements of their works that are stored on the Service or the Personal Web Features by sending TVN.net's DMCA Designated Agent a notification of claimed infringement that satisfies the requirements of the DMCA. Upon TVN.net's receipt of a satisfactory notice of claimed infringement for these works, TVN.net will respond expeditiously to either directly or indirectly (i) remove the allegedly infringing work(s) stored on the Service or the Personal Web Features or (ii) disable access to the work(s). TVN.net will also notify the affected customer or user of the Service of the removal or disabling of access to the work(s). In the event that a customer is notified of alleged infringement three (3) or more times, the customer is deemed to be a repeat infringer and TVN.net will suspend or terminate that customer's Service account.

If you believe that your work has been copied and has been posted, stored or transmitted to TVN.net's website in a way that constitutes copyright infringement, please submit a notification pursuant to the DMCA by providing TVN.net's DMCA Designated Agent (contact provided below) the following written information:

1. A physical or electronic signature of a person authorized to act on behalf of the copyright owner of an exclusive right that is allegedly infringed;
2. Identification of the copyrighted work claimed to have been infringed;

4. Information reasonably sufficient to permit TVN.net to contact the complaining party, such as an address, telephone number, and, if available, an electronic mail address at which the complaining party may be contacted;

5. A statement that the complaining party has a good faith belief that use of the material in the manner complained of is not authorized by the copyright owner, its agent, or the law;
